## Report # 118809661

Prepared for BGC Direct- RealPage - Statewides

You certified that you were ordering this report text to display based on user's resale intent for evaluation of the subject of the report in connection with the subject renting residential property.

Except for instant database searches, we finished collecting a criminal record from a source on the end of the date range shown as the dates searched for that source. This information may include criminal records that have been expunged, sealed, or otherwise inaccessible to the public since that date.

This report does not guarantee the accuracy or truthfulness of the information as to the subject of the investigation, but only that it is accurately copied from public records, and information generated as a result of identity theft, including evidence of criminal activity, may be inaccurately associated with the consumer who is the subject of the report. If the consumer seeks to obtain a copy of this report or to review his or her file, we will provide the consumer a written notice in simple, plain English and Spanish of his or her right to receive all disclosures required by California law.
